Hollywood Casino Kansas City Speedway, Kansas

Cordeck's customized cell configuration provided the optimum solution in meeting the high capacity power requirements of this project.

This state-of-the-art, Vegas style Casino overlooks turn two at the Kansas Speedway, features more than 100,000 square feet of gambling space, including 2,000 slot machines and 52 gaming tables.

"Cordeck's customer service, attention to detail, and ability to meet a demanding schedule was exceptional."
