F.A. Wilhelm
Indianapolis, IN

Structural Engineer:

Macintosh Engineering
Wilmington, DE

Electrical Engineer:

GS/A
Broomall, PA

Cordeck System:

N-R-G-FLOR+[®]
In Floor Cellular Raceway System

Opening in 2022, Turfway Park Racing & Gaming will feature 840 historical horse racing machines. Guests will also be able to watch live racing again at Turfway Park Racing & Gaming starting in late November, 2022.

Cordeck's Innovative Floor Solutions[®] was the obvious choice for the redevelopment of the Turfway Park Racing & Gaming facility.

Our flexible system provides a “no-limit” gaming floor layout, for the life of the building. Because our system is an in-slab wire management solution, it provides maximum security for their confidential data.

Our Innovative In Floor Cellular Raceway is an In-Slab Wire Management System That Delivers Power and Data Where You Need it
