COUNT THE METAL DECK

Count and fill in the correct answer.

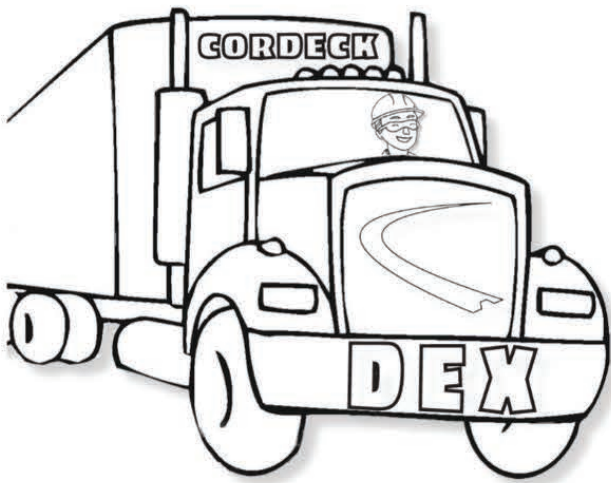

THE MISSING LETTER

D _ X

M E _ A L

T R _ C K

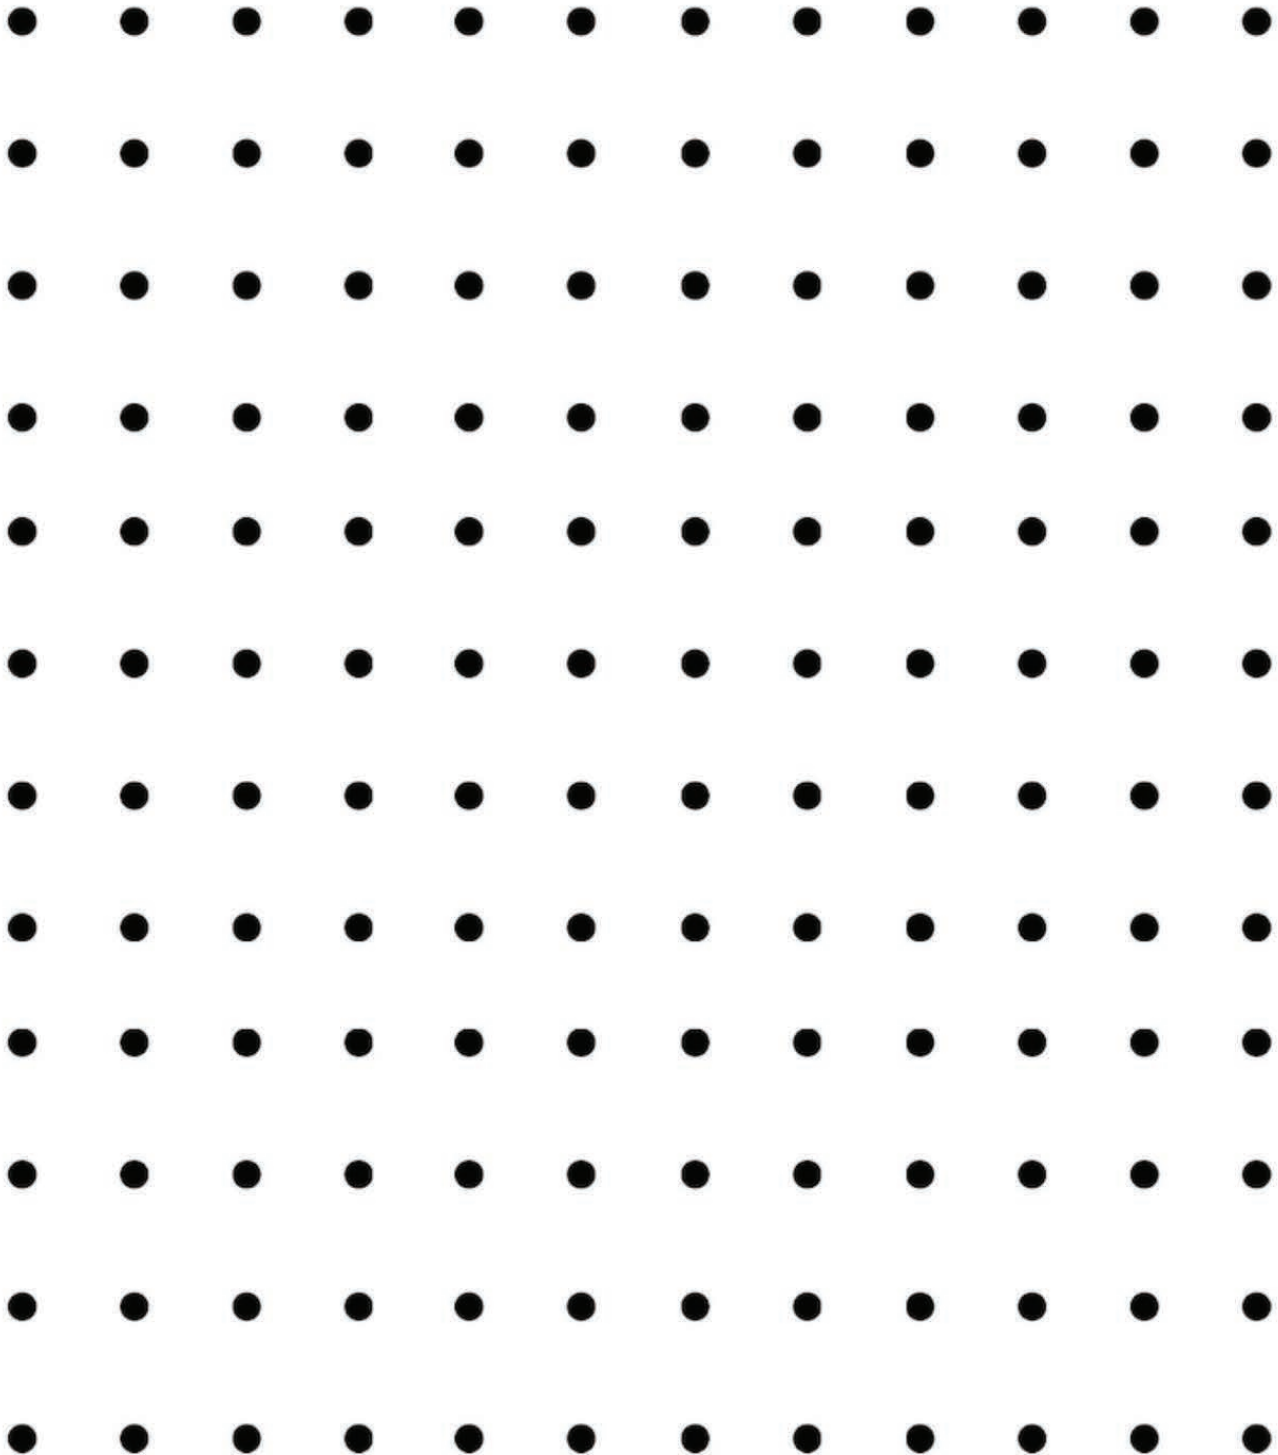

S T _ E L

DOTS

Each player takes turns drawing one line between two dots (no diagonal lines). If that line completes a box, the player initials the box and draws another line until no other boxes can be made. The player with the most boxes wins!

sample: M wins!

THREE WORDS

Write three words for each category.

1

Three animals

2

Three colors

3

Three friends

4

Three heroes

ALL ABOUT ME
