OUR SERVICES

At Cordeck, our experienced engineers,
project managers, and Dexpert®
staff deliver comprehensive project
management with personalized customer
service and meticulous attention to detail
from concept to completion.

SERVICES WE PROVIDE:

- **AutoCAD® Drawings and BIM Models:** Reducing time and cost of drawing transmittal.
- **Installation Support:** On-site assistance for smooth installation.
- **Bundle Placement Plans:** Ensuring correct location of bundles during unloading and hoisting to steel framework.
- **Material Takeoffs and Ordering:** Efficient and accurate.
- **Design Build Assistance:** Expert guidance throughout the design process.
- **Project Manager Support:** Dedicated project manager for every project through completion.
- **DEXPERT® Advice:** Specialized knowledge and support.
- **Guaranteed Quality:** On-spec products with guaranteed quality.
- **Value Engineering:** Optimizing project value and performance.
- **Submittal and Installation Drawings:** Detailed and precise.

At Cordeck, we do whatever it takes to help our customers with whatever they need whenever they need it. No matter how big or small, we are here to help.
